

All measurements are approximate

5 Lot 23, Ramsey Street NETLEY SA

Have you been thinking of building? Why not take a look at this centrally located allotment between the CBD and the sea, local shopping centres, public transport, primary and secondary schools.

Lot 23 - 344m²

Netley is presently going through a redevelopment stage, making it one of the most highly sought after locations within 10kms to the city.

You will appreciate the freedom to design and build a home of your choice (STCC), or take advantage of available plans from one of Adelaide's well known builders, who will assure your requests are met with integrity in mind.

Make the most of the Govt. grants and build! If this is your first home then you can apply for the FHOG of \$15,000 or if you are over 60 there is a Seniors Grant of \$8,500 to build your home.

All measurements are approximate.
