This unique colonial home showcases, charm, quality and location.

Over time this C1950's Torrens Title home has undergone amazing restorations/renovations in keeping with the homes warmth and character.

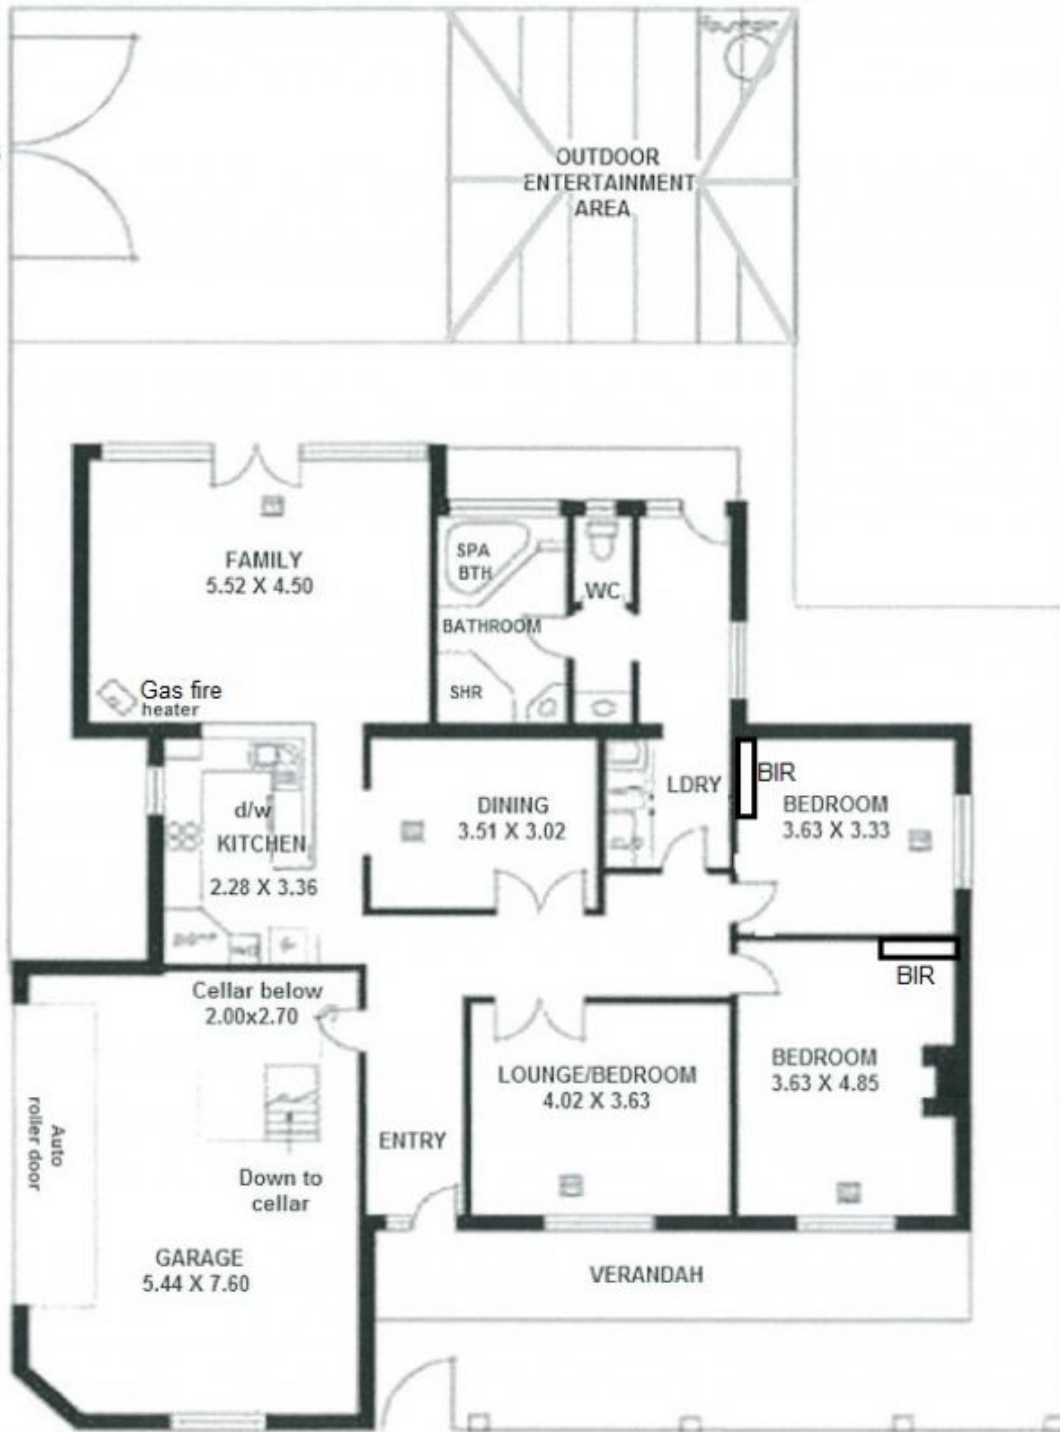

Not only does this home have a convenient corner location, but also showcases a stunning interior featuring 10ft high ceilings with attractive cornices, solid polished timber flooring and period skirting and leadlight doors and windows. The floor plan is very flexible offering 3 large bedrooms, or home office/2nd living area. The family room is very spacious comprising easy care floor tiles, a wall of floor to ceiling windows/French doors allowing plenty of natural sunlight to stream through, and there is a gas log fire to keep you cosy and warm in winter.
