

31 Victoria Street PROSPECT SA

3  2  1 

A wonderful fusion of modern living and character features, with so much natural light and open space, which has been designed for entertaining.

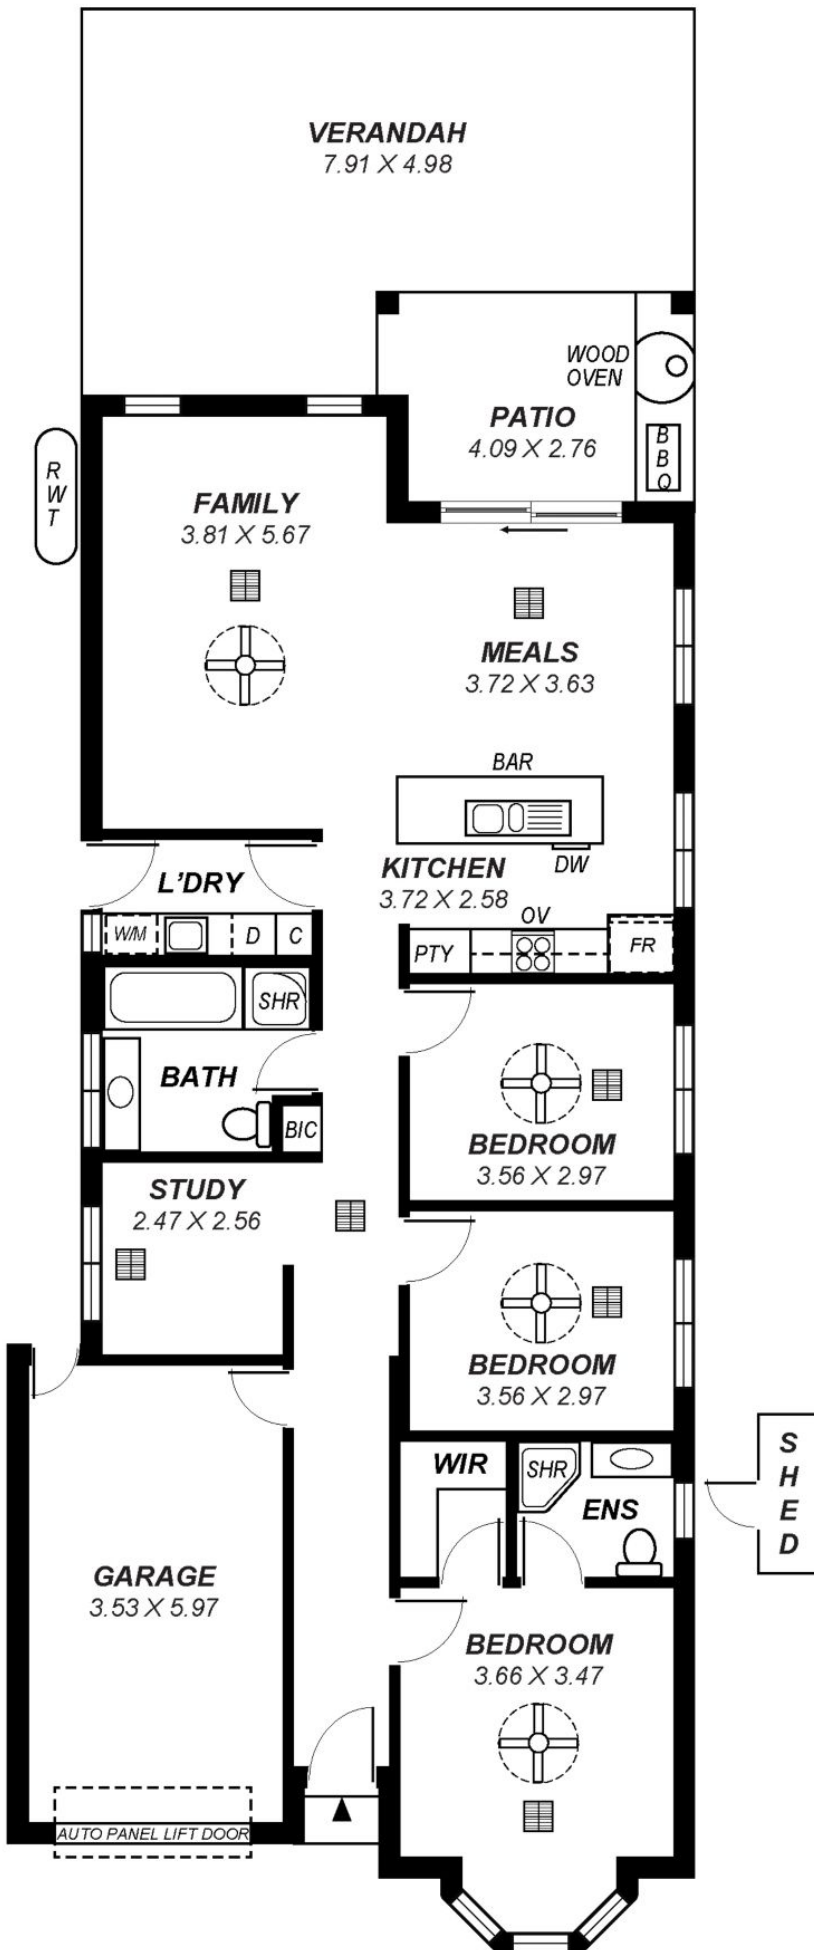

This stunning replica Bay Window Federation home has 3 bedrooms, en suite, family bathroom, modern kitchen and family areas. Only seven years young, the home is sited on a corner, in a beautiful tree lined street surrounded by other character homes, in one of Adelaide's premiere suburbs. Within walking distance to Prospect Road precinct and so close to North Adelaide and the City.

The central hallway leads to the three spacious bedrooms, all with ceiling fans, master with a feature bay window, deluxe en suite and walk-in robe and for those looking to work from home there is a good size study/home office.
