3  2  3 

This beautiful, well-maintained brick home, featuring Mount Gambier Stone, captures rare 360-degree views due to its much sought-after hilltop position, while still being within easy walking distance of Goolwa Beach and its newly constructed Surf Life Saving Club.

The air-conditioned open floor plan creates a sense of space, perfect for relaxing or entertaining. The large north and east-facing windows provide excellent levels of natural light and stunning panoramic views across the valley to the Goolwa township, the Murray River, Hindmarsh Island and beyond.

The unobstructed rooftop decking is the perfect spot to check the surf conditions, follow the whales on their annual journey, admire the fireworks on New Years' Eve, and watch boats sail down the Murray.
